**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to choose my internet carrier and not have it chosen for me. I want local providers to be able to be a part of my choice.

I live in a rural area and know that internet is necessary. I also know large companies do NOT care about community members like local business do.

Leave us alone. I don't want your expensive impersonal business.
